Area: Centro

115 sqm | Bathrooms: 2 | Bedrooms: 2 | Rooms: 3

Exclusive 115 sq m three-room apartment in the prestigious Palazzo Dune Via Lagrange 35, Turin
In the most elegant heart of Turin, on the renowned Via Lagrange, we offer for sale a prestigious three-room apartment of approximately 115 square meters, located on the fourth floor of Palazzo Dune, an exclusive residential project that combines contemporary architecture, refined design, and maximum living comfort.
Designed by architect Fabio Fantolino, Palazzo Dune stands out for its refined reinterpretation of Turin's rationalist architecture. The façade, completely rebuilt in fine Botticino marble, is characterized by simple geometric lines, large glass surfaces, and elegant loggias.
The apartment features spacious, bright, and harmoniously arranged spaces. The property comprises an entrance hall, a generous living area with an open-plan kitchen, two bedrooms, two bathrooms, and a large outdoor space.
The residence, rated energy class A, is equipped with cutting-edge system technologies, including radiant floor heating and cooling, controlled mechanical ventilation, and a geothermal system, to ensure high standards of living comfort and energy efficiency.
Particular attention has been paid to the quality of the finishes, thanks to the support of a dedicated architectural firm. Single and double garages and/or parking spaces are available for purchase.
The location is simply privileged: just steps from the most prestigious boutiques, the best restaurants in the center, the Egyptian Museum and the Porta Nuova train station.
Palazzo Dune represents an extremely prestigious residential opportunity, designed for those who wish to live in one of Turin's most exclusive locations without sacrificing the elegance, privacy, and comfort of a contemporary residence.
