

Apartment for Sale to Torino Area: Centro Storico

310 sqm | Bathrooms: 3 | Bedrooms: 3 | Rooms: 7

In the historic eighteenth-century palace of the famous architect Juvarra, the subject of a careful conservative renovation, we offer an elegant large apartment on the second main floor, the result of the union of two real estate units. The entrance from the landing with lift service takes us inside where there is a kitchen with a large pantry and a laundry area, a dining room, a lounge, two bedrooms with walk-in closets and two bathrooms, a master room completely frescoed with large walk-in closet and private bathroom. The double exposure makes everything very bright. Four balconies and a splendid, large terrace. The materials chosen for the interiors are valuable and outside specifications. The building is equipped with double entrances, video surveillance. There is air conditioning and burglar alarm.

Land registry updates possibly in progress. Therefore, all the data reported above do not constitute contractual elements or assumptions.
