

Penthouse for Sale to Torino

Area: Lingotto

70 sqm | Bathrooms: 1 | Bedrooms: 1 | Rooms: 2

Panoramic penthouse in the Lingotto area

In a building from the 80s, well maintained in the common areas, we offer a panoramic penthouse on the sixth floor with a splendid view of the hill and the mountains.

The property consists of an entrance hall onto a large living room with open kitchen, a room currently open to the living area, easily transformable into a bedroom and a bathroom.

An internal staircase leads to the upper floor, where there is another versatile room, adaptable to different uses according to needs.

The property is completed by a cellar in the first basement and two large terraces, for a total of approximately 35 m2, which provide brightness and outdoor space.

The apartment requires renovation work, thus offering the opportunity to redesign the spaces thanks to the regular and functional plan.

The area is well served: in the immediate vicinity there are schools, supermarkets, the Lingotto train station and numerous public transport connections, making the property ideal for those seeking comfort and convenience in the city.

Land registry updates possibly in progress. Therefore, all the data reported above do not constitute contractual elements or prerequisites.
