

Apartment for Sale to Torino Area: Barriera Milano

120 sqm | Bathrooms: 2 | Bedrooms: 3 | Rooms: 5

In a modern building built in 2012, we offer a welcoming and well-appointed apartment of approximately 120 square meters on the first floor with a lift.

The entrance opens onto a large living room with an open kitchen, a bright and convivial space that overlooks the first terrace.

The hallway separates the living area from the sleeping area, which consists of two bathrooms with windows and three bedrooms, one of which is used as an additional living room and two bedrooms, the largest with a second terrace.

The apartment stands out for its brightness, tranquility, and excellent internal conditions, thanks also to the recent construction of the building.

The location is convenient to all amenities, public transport, and schools, making it perfect for both families and those looking for a modern home in the city.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
