for Sale to Moncalieri

368 sqm | Bathrooms: 4 | Bedrooms: 4 | Rooms: 9

Located in the Castelvecchio Castle of Moncalieri, 15 minutes from the center of Turin, in a charming and unique setting, completely renovated a few years ago, it houses 11 residential units. We offer for sale a spacious apartment, tastefully renovated with quality materials, spread over three levels. After crossing an entrance that leads to a wide, dramatic staircase with elegant details, we reach the first floor, which features a large living room with fireplace, a spacious eat-in kitchen with dual exposures to the garden and cloister, a unique octagonal study, and a bathroom. On the same floor, we find a completely independent apartment called "Galleria," consisting of a living area, a sleeping area, and a bathroom. The staircase leads to the second floor, where the sleeping area is located. It comprises a charming master bedroom located in the octagonal tower, where every window faces the four cardinal points, a large bathroom with a whirlpool tub, and a master bedroom with a queen-size bed. A second bedroom with bathroom, a walk-in closet, and a laundry room complete the property. A large garden and a shared cloister are available for outdoor dining. The property includes a large green area with an orchard and vegetable garden, a room called the "Cantinone" (large cellar) for dinner parties, and a caretaker's lodge.
There is a small consecrated church.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
