In the splendid 17th-century Palazzo Frichignono di Castellengo, located at the intersection of Via San Dalmazzo and Via Barbaroux, a spacious, recently renovated apartment on the main floor. The apartment has a private entrance from Via San Dalmazzo 5, with a hallway leading to a large room with a private elevator and a wide iron spiral staircase, leading to the first floor. Here, a spacious entrance hall leads to the magnificent living room, approximately 60 square meters, with very high ceilings, decorated exposed beams, and restored original frescoes. The living room connects to a fully equipped eat-in kitchen and a bathroom with an anteroom, both opening onto the internal courtyard. A large walk-in closet leads to the master bedroom, approximately 35 square meters, with a private bathroom.

A location of great charm and prestige, which takes us back to the nobility of the past, also very suitable for a representative showroom. The rent indicated includes condominium fees. The heating is underfloor, independent, with a condensing boiler also for the production of instantaneous domestic hot water and room thermostats.

No architectural barriers.

The apartment has been completely renovated. The APE refers to the state before the renovation. The new certification is currently being issued.
