

for Sale to Torino Area: Gran Madre - Crimea

222 sqm | Bathrooms: 2 | Bedrooms: 4 | Rooms: 5

In a historic period building between Viale Thovez and Corso Giovanni Lanza, this prestigious apartment requires renovation on the second floor (with elevator). The large windows in the spacious living room make the property particularly bright, and the regular floor plan makes it suitable for a variety of interior renovations. An elegant entrance leads to the living area, comprising a beautiful living room with adjoining dining room and study (which could optionally be used as additional bedrooms), a sleeping area with two large bedrooms and a bathroom, and a utility area comprising an eat-in kitchen with balcony, walk-in closet, bedroom, and bathroom. Marble floors and original, newly polished parquet flooring. Original double-glazed windows complete the property. A separate outdoor urban area could be used as a parking space for two cars. The building has recently undergone a thorough renovation, including a complete renovation of the exterior facades and roof.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
