

for Sale to Torino Area: Crocetta

102 sqm | Bathrooms: 1 | Bedrooms: 2 | Rooms: 3

On the third floor of an elegant period building on Corso Duca degli Abruzzi, we offer a completely renovated apartment, combining Turin's architectural charm with a contemporary and functional design.

The entrance opens onto a spacious, bright and welcoming open-plan living area, enhanced by large windows that provide excellent natural light. The herringbone parquet flooring adds warmth and sophistication to the space, while the suspended ceilings with integrated LED lighting create an elegant and modern atmosphere. The open-plan kitchen integrates seamlessly into the living space: a central island with a dark marble-effect finish, linear furnishings, and minimalist details. The sleeping area includes two bedrooms, ideal as a master bedroom, a second bedroom, or a study.

The bathroom, finished in light tones and quality materials, features a simple, modern design: a large walk-in shower, clean-lined fixtures, and a wall-mounted sink.

Cellar included.

The apartment is located in a prestigious building with an elegant façade and decorative balconies, in one of Turin's most sought-after areas, convenient to amenities, the Polytechnic University, and the city center.

An ideal solution for those seeking a move-in ready home, characterised by style, comfort and quality finishes.
