Panoramic and independent villa surrounded by greenery with private park

In a private hilltop location immersed in the tranquility of nature, we offer for sale a detached villa requiring renovation, divided into three units (with the possibility of creating a fourth on the upper floor), surrounded by large private land located on Strada del Ponte Verde.

The property is spread over multiple levels and features large spaces, brightness, and a panoramic view of Superga.

Main features:

Ground floor: two units, one approximately 92 square meters and one approximately 116 square meters, both comprising a kitchen, living room, bedroom, and bathroom. First floor: apartment of approximately 267 square meters comprising five bedrooms, a study, a storage room, four bathrooms, a kitchen, and a large living room with a fireplace and a balcony. This floor can also be accessed via an external elevator. Basement: utility rooms and three cellars. Attic: three usable attics, a two-car garage, and a storage room. Outside, the villa is surrounded by a garden and private green space, yet is just minutes from the city center. From the garden, access is available, either on foot or via a designated dirt road, to a flat, private plot of land that opens like a natural panoramic terrace overlooking the surrounding landscape.
