

Villa for Sale to Pecetto Torinese

183 sqm | Bathrooms: 3 | Bedrooms: 3 | Rooms: 6

Just 10 minutes by car from the Gran Madre and 5 minutes from the centre of Pecetto, in a dominant position yet convenient to the main services, we offer a splendid, completely renovated detached villa, surrounded by large green spaces and featuring a panoramic terrace.

The home is spread over multiple levels. On the ground floor, you'll find a veranda, also used as a sunroom, and an entrance to a bright living area consisting of a spacious living room with a state-of-the-art three-sided fireplace, an open-plan kitchen, a convenient pantry, a laundry room, and a wellness area with a sauna.

The first floor, accessible by a comfortable internal wooden staircase, features a refined master bedroom with a balcony, en suite bathroom, and custom walk-in closet. A second bedroom/study with access to a private terrace completes the floor.

On the second floor we find two further bedrooms, one with a balcony, a bathroom and a functional closet.

Opposite the entrance is a large, livable terrace, ideal for relaxing outdoors, enhanced by an excellent southwest exposure that guarantees brightness throughout the day.

The villa has undergone a complete renovation, including roof insulation, thermal insulation (cork insulation), and Finstral double-glazed windows, ensuring high energy performance (Energy Performance Index (EPI) class A2). The pellet heating system (the boiler was replaced a few years ago) is cost-effective (approximately €500 per year), thanks to its integration with a state-of-the-art fireplace and heat pumps. A photovoltaic system with over 9kW of panels and 30 kWh of energy on three storage batteries, an electric vehicle charging station, and low electricity consumption (approximately €1,000 per year) make the property particularly efficient and sustainable.

There is also provision for an alarm system, and air conditioning is installed on all levels.

The surrounding park features a rock garden, with valuable trees and plants, stone paths, a vegetable garden and an orchard (without the need for irrigation except for the vegetable garden).

The property includes a large carport ideal for two cars and a large outdoor fireplace equipped for barbecues.

The location is further enhanced by its proximity to the San Luca clinic, reachable in just a few minutes, and by the related bus service
