for Sale to Milano
Area: Lotto, Novara, San Siro

75 sqm | Bathrooms: 2 | Bedrooms: 2 | Rooms: 3

In Milan, at Via Novara 4, we offer for sale a refined two-level apartment, located on the third and fourth floors (NO elevator) of a building dating back to the early 1900s.
The property, exquisitely renovated with an architect's design, stands out for its modern style and optimized space. The entrance opens onto a functional, custom-designed eat-in kitchen, complete with a convenient island. A hallway leads to the first bathroom, complete with all fixtures and a bathtub, and a warm and welcoming living area.
An attractive wooden staircase leads to the upper level, dedicated to the sleeping area, where we find a comfortable hallway, a spacious double bedroom, a second bedroom ideal as a study or single room, and a bathroom with window and shower.
The property is located in a quiet and well-served residential area, just steps from the metro and all major amenities, making it ideal as both a primary residence and an investment.
