

for Sale to Torino Area: Crocetta

70 sqm | Bathrooms: 1 | Bedrooms: 1 | Rooms: 2

Just steps from Turin's city center and Porta Nuova Station, on the sixth floor of a stately 20th-century building on Via Lamarmora and Corso Stati Uniti, lies Lamarmora 7, an exclusive residential project resulting from a complete and refined renovation. The apartment is located on the sixth floor of an elegant 1970s building, with concierge service and two elevators. The design reinterprets the layout with a contemporary and functional approach, creating the perfect balance between design, architecture, and quality living.

The entrance leads to a large living area consisting of a living area with an open kitchen, a master bedroom with a dedicated walk-in closet and an en suite bathroom.

The renovation enhances the property with a contemporary and refined taste, as the renderings show: clean lines, warm and natural tones, modern finishes, as well as particular attention to spatial design and lighting.

An ideal solution for those seeking a turnkey home in a prestigious location, with spacious rooms and a truly rare terrace in Crocetta.
