Borgaro Torinese, just a few minutes' walk from the central Agorà area, in a building dating back to 2005, served by a large elevator, we offer for sale a two-level apartment, on the third and fourth attic floors, composed as follows:
Entrance to a large double living room with a living/dining area and an open-plan kitchen; a hallway leads to a first bathroom with a bathtub. A wooden staircase leads to the upper floor, where there are two bedrooms and another bathroom with a shower. A cellar in the basement completes the offer. The views are opposite, onto large, livable balconies, and the east and west exposures provide abundant light, with sun throughout the day. The windows are made of wood and double glazing, and there is a perimeter/volumetric alarm and a video intercom. On the west side, the balconies are equipped with awnings and winter blinds. Heating is independent. Split-unit air conditioning is available in both the living and sleeping areas.
