

for Sale to Trana

1.000 sqm

In the Pianca district of Trana, in a splendid, panoramic location overlooking the Sangone Valley, we offer semi-flat building land for a 200 sq m villa. The foundations and ground floor of a 180 sq m villa are already in place, offering excellent exposure and easy customization.

The existing portion of the property needs to be rebuilt, but key elements such as the foundations, ground floor, fence, gate, and driveway are already in place and well-preserved.

An ideal solution for those wishing to build a custom villa in a privileged setting and location, starting from an existing foundation.
