Via Carlo Alberto 6 is located in the heart of Turin's historic center, in a cultural and architectural setting, just steps from Piazza Carlo Alberto and Palazzo Carignano. The area is one of the city's most elegant spots, characterized by noble palaces, historic porticoes, and important cultural institutions.

The building, built in the 19th century and of great architectural value, gives the entire area a unique historical identity.

The building also overlooks one of the most charming squares in the city, embellished by the equestrian statue of Carlo Alberto and the National University Library.

In this exclusive setting, apartments are for sale with completely renovated common areas (roof, stairs, elevator, and facades).

The proposed property is located on the third floor and is being sold in need of renovation. Internally, it comprises an entrance hall leading to a large corner living room overlooking Piazza Carlo Alberto, an eat-in kitchen, three bedrooms, and three bathrooms. Five balconies, four of which overlook Via Cesare Battisti and one overlooking Via Carlo Alberto.

The building is served by a concierge.
