Loft for Sale to Torino
Area: Centro

120 sqm | Bathrooms: 1 | Bedrooms: 1 | Rooms: 2

Elegant 101 sq m loft in a period building in the heart of the historic center.
Inside a prestigious, finely restored historic building, we offer for sale a refined apartment of approximately 101 square meters located on the ground floor, the result of a meticulous renovation that has successfully combined the charm of period architecture with contemporary comforts.
The home stands out for its bright rooms and impressive architectural details: the spacious double-height living area, enhanced by elegant wood paneling, wooden floors, and large windows, is enriched by a charming mezzanine connected by a modern iron staircase with a minimalist design. This versatile space is ideal as a study, relaxation area, or additional bedroom, and is embellished with a splendid original frescoed ceiling that lends a unique and prestigious touch to the space.
The property also includes a bedroom, an eat-in kitchen, a bathroom finished with quality materials and functional spaces perfectly integrated into the internal layout.
The recent renovation involved every detail of the property, with refined finishes, modern systems, and design solutions designed to ensure comfort and efficiency.
The building is in excellent condition thanks to numerous interventions carried out in recent years on the common areas, including the redoing of the roof and facade, the painting of the stairwell, the renovation of the entrance hall, the updating of the systems, the replacement of the push-button panels, the redoing of the basement and landing floors, and the preparation for a video intercom.
An exclusive solution, ideal for those who want to live in a prestigious setting, immersed in the city's historic charm without sacrificing contemporary comforts.
