for Sale to Torino
Area: Santa Rita

110 sqm | Bathrooms: 2 | Bedrooms: 2 | Rooms: 4

In a 1960s building with a lift, we offer for sale a bright first-floor apartment.
The property stands out for its generous spaces and functional internal layout: entrance hall, welcoming living room, eat-in kitchen, two large bedrooms, and two bathrooms. The double exposure ensures excellent natural light throughout the day and pleasant ventilation. The living room opens onto a large balcony, large enough to be enjoyed as a private terrace, ideal for al fresco dining, relaxing, or for those seeking a particularly enjoyable outdoor space. A cellar in the basement completes the property.
The apartment features double-glazed PVC windows and doors, replaced about ten years ago, which provide excellent thermal and acoustic insulation. A new security door is also currently being installed, which will further enhance the comfort and security of the home.
An ideal solution for those seeking spacious, well-distributed, and particularly bright spaces in a residential setting convenient to major amenities.
