

Apartment for Sale to Torino Area: Borgo Vittoria

103 sqm | Bathrooms: 2 | Bedrooms: 1 | Rooms: 4

Charming loft in a converted industrial complex □ 103 sqm

In an exclusive and private setting, created from the redevelopment of a small former industrial complex, we offer for sale an elegant 103 sqm loft, featuring spacious, bright rooms and a strong contemporary style.

The property enjoys a strategic location, convenient to the main services and transport links, while maintaining a quiet and private atmosphere.

The completely renovated home features well-organized and welcoming spaces. The entrance leads to a spacious living area with an open-plan kitchen, the heart of the home and ideal for socializing. A bathroom with shower and a practical closet complete this level.

A charming mezzanine area, perfect as a study, hobby room, or smart working space, further enhances the property. The sleeping area, well separated from the living areas, features a spacious double bedroom and a second bathroom with a whirlpool tub.

Outside, near the entrance to the house, there is a pleasant open space of exclusive property, ideal for furnishing with a table and chairs for al fresco lunches and dinners or as a welcoming lounge area.

A truly unique feature is the possibility of creating direct access from the mezzanine to the private roof terrace: by opening a French window, the entire roof surface could be transformed into a splendid private terrace for exclusive use, ideal for creating a relaxation area, a solarium, or an outdoor social space.

The property includes a covered parking space inside the condominium garage.
