

Apartment for Sale to Castagneto Po

305 sqm | Bathrooms: 3 | Bedrooms: 6 | Rooms: 9

Detached villa on three levels with a large garden and panoramic views of the Alpine range.

A two-minute drive from the center of Castagneto Po but surrounded by green hills, for sale is a detached villa designed in 1963 by the virtuoso engineer Luigi Cappa Bava.

The first level comprises a magnificent, bright, and spacious living area with triple exposure, divided into a living room and dining room, both overlooking the panoramic balcony. The living room leads to the kitchen and pantry.

Going up the exposed wooden internal stairs we reach the second level, consisting of three bedrooms, two bathrooms and the pedestrian entrance from the street.

On the top level there are two rooms used as studies and a bathroom.

The garden surrounds both the street-facing and valley-facing sides, offering several flat spaces perfect for relaxing daily. The garden then follows the ridge of the hill in several terraces, ideal for gardening and vegetable gardening.

The property includes a double garage, a workshop and a cellar on the lower floor.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
