Panoramic penthouse with corner terrace
On the seventh and top floor of a building on Corso Mediterraneo, we offer a bright penthouse of approximately 60 square meters, with excellent customization potential.
The property, in need of renovation, represents an ideal solution for those looking to create a custom home or an attractive investment in a well-served and strategic location.
The apartment's true highlight is the magnificent 24-square-meter corner terrace, a rare and versatile outdoor space. Thanks to its double exposure, the apartment enjoys excellent light throughout the day.
The internal layout allows you to make the most of the space, creating a comfortable living area with kitchen and direct access to the terrace, a bedroom and bathroom, adapting the rooms to your needs.

Land registry updates may be in progress. Therefore, all the above information does not constitute contractual elements or conditions.
