for Sale to Ciriè

140 sqm | Bathrooms: 2 | Bedrooms: 3 | Rooms: 5

In Ciriè, on Via Giosuè Carducci, we offer for sale a spacious apartment on the second and third floors of a building served by a lift.
The two levels are internally connected, but both have a separate entrance from the stairwell. This unique configuration allows the property to be used as a single, generously sized residence or as two separate units, an ideal solution for those seeking a home and an investment opportunity.
The second floor comprises an entrance hall, a large and bright living room, an eat-in kitchen, two bedrooms, and a completely renovated bathroom.
The third floor houses a second independent apartment, accessible both via the internal connection and directly from the landing.
The property is completed by a cellar and a convenient garage.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
