Penthouse for Sale to Torino
Area: Crocetta

126 sqm | Bathrooms: 2 | Bedrooms: 2 | Rooms: 3

At Via Torricelli 13, on the sixth floor, we offer for sale a penthouse of approximately 126 square meters, featuring a pleasant double exposure and a terrace of approximately 24 square meters.
The apartment currently comprises a spacious living room, kitchen, bedroom, and two bathrooms. The generous living area offers interesting possibilities for reorganizing the space: it's possible to create a large living room with an open-plan kitchen, directly overlooking the terrace, two bedrooms, and two bathrooms.
The terrace is one of the property's most attractive features and is a natural extension of the living area. Its double exposure ensures abundant light and pleasant ventilation.
The interiors need to be redesigned and therefore offer the opportunity to completely customize the home, making the most of its large spaces and potential layout.
A particularly interesting solution for those looking for a penthouse with a terrace and wishing to create a custom home.
The property includes a cellar in the basement.
APE being updated.

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
