

Apartment for Sale to Torino Area: Borgo Vittoria

109 sqm | Bathrooms: 2 | Bedrooms: 3 | Rooms: 5

In a building constructed in 2006 and in excellent condition, we offer for sale a sixth-floor apartment of approximately 110 square meters, in excellent internal condition and featuring a splendid 180° panoramic view of the city, from the Turin hills to the Alpine arc, with the Mole Antonelliana clearly visible.

The entrance leads directly into the living area, consisting of a spacious living room and an eat-in kitchen, both of which open onto the large balcony, which offers full enjoyment of the unique openness and brightness of the location.

The sleeping area, well separated from the living area, consists of three bedrooms and two bathrooms, as well as a convenient closet.

The apartment is in excellent condition and requires no major renovations, making it immediately habitable.

The property includes a cellar.

There is also the possibility of purchasing a garage inside the building separately for €20,000.

The location offers exceptional convenience for everyday life, thanks to the immediate proximity to numerous services and businesses, including the Il Gigante supermarket, Brico, restaurants, and other neighborhood businesses. Its location within a quiet and well-served block, combined with the high floor and open views, makes the property particularly pleasant to live in.

An ideal solution for those seeking spaciousness, three bedrooms, well-distributed spaces, and panoramic views of the city and mountains, in a more recently built residential area.

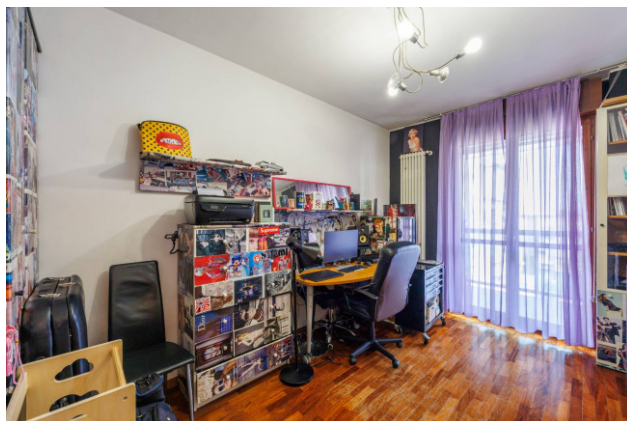

Land registry updates may be pending. Therefore, all the above information does not constitute contractual elements or conditions.
