for Sale to Chieri

1.000 sqm | Rooms: 1

In Chieri, on Via Don Lorenzo Perosi, in a predominantly residential area, we offer for sale a large garage of approximately 1000 square meters, located in the basement of a condominium complex.
The property has 45 parking spaces, all currently rented, offering an interesting investment opportunity with an already consolidated income.
Vehicle access is via a convenient ramp that connects the garage directly to the street level. There is also a separate pedestrian entrance with a gate.
The location, characterized by the presence of numerous residential buildings, makes the property particularly attractive due to the demand for private parking. An ideal proposition for those looking to invest in an already income-generating property in a well-established residential area.
