Apartment for Sale to Torino
Area: San Donato

70 sqm | Bathrooms: 1 | Bedrooms: 1 | Rooms: 3

Between Cit Turin and San Donato, in a quiet location convenient to all major amenities, we offer a bright three-room apartment of approximately 70 m², located on the first floor of an elegant building with an elevator and featuring a small communal garden at the entrance.
The location is particularly interesting due to its proximity to the Principi d'Acaja metro station and Porta Susa station.
The apartment underwent a complete renovation about six years ago, with particular attention to the quality of materials, finishes, and energy efficiency.
The interior layout includes a large entrance hall, a living room, a spacious double bedroom, a fully furnished and equipped eat-in kitchen, and a bathroom. A convenient storage room and cellar complete the property. There is the option to purchase an uncovered parking space for €15,000.
The building has also recently undergone a major energy requalification project, including renovation of the facades, installation of thermal insulation, work on the roof with the installation of photovoltaic panels, and replacement of the centralized boiler with a new generation one.
A solution designed with attention to every detail, ideal for those seeking a move-in ready apartment in an elegant setting and well-connected to the city center.
